SOUTHERN CALIFORNIA CHAPTER

May/June '92

Riverside Truck Show, Postponed!

New Date: Sunday, June 14th.

Next Chapter Event:

Because of the L.A. Riots, the Antique Truck Show held at The California School For The Deaf in Riverside, originally scheduled for May 3rd, was postponed. Because the month of May was so full of activities, the June date was picked so the show could still be held during the current school year.

Everything remains the same except the date. Please help to pass this change of date to others. Advertising will be hard to do, because of the short time before the show is here. We need your help! Also look for more truck entries, as some people will have more time to finish their restorations. We are sorry for any inconvenience this postponement might have caused you.

Next Chapter Board Meeting:

Plans are being made to hold the next Chapter Board Meeting at Knott's Berry Farm. Don McCann is checking on the details and will let all the Officers know later. Date of this Board Meeting is June 17th at 7:30pm. You can ask about the details at the Chapter booth during the Riverside Truck Show or call one of the Chapter Officers.

We will have a Knott's, "Old Fashion Chicken Dinner" before the meeting and wives can do some shopping during the meeting if they wish. Everyone is welcome but please RSVP to Don McCann, so he knows what to tell Knott's. We are planning to have a private dining room for our meeting. Contact Don McCann at (310) 428-7054.

Contact: Jerry Haworth (714) 880-0611

Wanted: 1937 GMC COE Grille
Contact: Steve Sackett (714) 247-8711

Re:land

Hi - Just a line to let you know about our plans for 1992, so you can give your members a preview and date.

Our 2nd Central Coast Cooler will be held on July 25, at Arroyo Grande.

The Arroyo Grande Valley Car Club informed us they would make a category and a trophy for our trucks this year if there is enough interest. They will need ten trucks and their registration fee is \$15.00, we can still piggyback and park down there near the car show and not register and no trophy. We need to know by the first of June if enough trucks want to register, in order for the Club to secure a trophy.

This year we hope to have Saturday evening meal at the ranch it should give us more time to shoot the breeze and kick tires.

We are attempting to set up an agriculture tour, (we will call it seed to feed), for Friday afternoon, 12:30 to 4:30 we should have twenty people and or ten trucks to make it worthwhile. The tour will be about 30 to 35 miles round trip, no cost other than anything you might want to buy at a stop on the return trip at Chase's Olive, Pickle and Chocolate Factory near our ranch.

The tour hopefully will cover field harvest, cooler operation and shipping, a good chance to show-off your equipment, we have seen up to 15 trucks waiting to load out. Please let us know if you can show up Friday for the tour.

The Little Antique Truck Stop will be available for viewing and will have some more new items on display.

There is parking for R.V.'s with a view of the ocean and room for your old trucks. We had 8 or 9 trucks last year and seventy people. Looking forward to twenty five trucks this year.

Bob & Chris King

President's Message:

What a disappointment the postponement of our truck show was! We were 100% ready and the weather was great. However it is safe to bet, June 14th will not be too cold or rainy. Your help in making "Riverside'92" a success is needed. There is more time now to look for more new truck entries or finish your truck and bring it. Don't forget to tell everyone you meet about the new date!

Be sure to read the letter from Bob King about the Second Annual Coast Cooler. What a location for cool Old Truck fun! Arroyo Grande is a great place for an old car and truck show. If you have any questions, just give Bob a call at (805)473-0846.

ATHS National Convention time is here and the gang at Portland have a fantastic time planned for us. I hope to see many of you and your trucks at this annual event. Don McCann has planned the convoy from here to hook up with the Central California Chapter in Dunnigan and on to Portland. A copy is included for your information.

Sincerely,

Roland Smith
